

International Conference on Advances in Salt and Marine Chemicals : Brine Mining, Purification and Resource Recovery

22nd – 23rd February 2024

CSIR-Central Salt & Marine Chemicals Research Institute Celebrating 70 Years of Glorious Journey

CSIR-CSMCRI (a constituent laboratory of the Council of Scientific and Industrial Research, India) is a leading Indian R&D institute known for exceptional achievements in diverse research areas. With dedicated staff and research fellows, it excels in applied research including salt, marine chemicals, water desalination, renewable energy, and waste management. According to the Scimago Institutions Ranking World Report 2023, Council of Scientific and Industrial Research, India (CSIR) is ranked 61st among 1747 government institutions worldwide and is the only Indian organization among the top 100 global government institutions. Further, CSIR holds 7th rank in research and 4th rank in societal category in Asia among 384 government organizations.

CSIR-CSMCRI is hosting the "International Conference on Advances in Salt and Marine Chemicals" and here are the brief details.

Conference Topics

- Global Salt Scenario & Salt Production Technologies
- Brine Chemistry and Thermodynamics
- Scientific Design, Mechanization and Automation of Solar Salt Works
- Bittern Management and Marine Chemicals / Trace Metals Recovery
- Salt Quality Control and Brine Purification for Chlor-alkali industry
- Salt and Health (Standards, Specialty Salts, Salt Fortification, Microplastics)
- Administrative & Policy Matters related to Salt & Marine Chemicals

Key Highlights of the Conference

- Discoveries and innovations in the salt industry
- Keynote speakers from around the world
- Engaging panel discussions on challenges and opportunities
- Interactive research presentations (oral and posters)
- Networking with experts, researchers, and industry professionals
- Promoting meaningful collaborations and partnerships

Participation Categories

- Expert, Mentor, or Speaker
- Showcase Solutions
- Company Sponsorship
- Technical Understanding as a Delegate

Sponsorship Categories

- International Partner: USD 10,000
- Diamond Partner: INR 5 Lakhs
- Platinum Partner: INR 3 Lakhs
- Gold Partner: INR 2 Lakhs
- Silver Partner: INR 1 Lakh
- Exhibition Booth: INR 25,000/-+Taxes

Participation Fees (Including 18% GST)

- Academic Personnel: INR 4,000
- Research Scholars/Students: INR 2,000
- Industrial Personnel: INR 6,000
- Guest (Indian delegates): INR 2,000
- Foreign Delegates: USD 200
- Guest (Foreign delegates): USD 100

"Inviting National & International Conference Partners and Sponsors"

Conference Venue

CSIR- Central Salt & Marine Chemicals Research Institute

Address

**Gijubhai Badheka Marg,
Bhavnagar – 364 002 (Gujarat), India**

Contact Information

**Dr. Arvind Kumar, Chief Scientist
Dr. Parul Sahu, Scientist**

Email: smc@csmcri.res.in

Mobile: +919623265672

Departments @ CSIR-CSMCRI

- Salt and Marine Chemicals
- Process Design and Engineering Division
- Membrane Science and Separation Technology
- Inorganic Materials and Catalysis
- Plant Omics
- Analytical and Environmental Science Division and Centralized Instrument Facility
- Applied Phycology and Biotechnology
- Natural Products and Green Chemistry

About CSIR-CSMCRI
